

Jathra Mahotsava of Adijagadguru Sri Shivarathreeshwara Shivayogi Mahaswamiji

# SUTTURU VAARTE

Online Edition

Sutturu Srikshetra

Jan. 25, 2020 Saturday

## Aim of Government is to Progress Farmers: H. Nagesh

**Sutturu :** The main aim of Government is to progress of farmers said H Nagesh, Minister of Excise, Skill Development Entrepreneurship & Livelihood.

Addressing the agricultural activities. Under Pradhan Mantri Kisan Samman Yojana each eligible farmer family will get Rs 6,000 and State Government is providing Rs. 4,000 subsidy in two installment. For this Yojana Government has reserved Rs 2,200 Crores. Under Pradhan Manthri Fasal Bhima Yojana, Government has released Rs.1,451 Crores to 2.48

Lakh farmers. Quality seeds are provided to the farmers for agriculture. Government also encourages Organic Farming.

For this purpose Government has utilized

1,07,575 hectares of land for 79,797 farmers and has converted into Agricultural land and it aims to expand 1,50,000 hectares of land in the next 10 years. For the production of Millets

Government has donated Rs.50 Crores for 50 Hectares of Land.

Krishi Bhagya scheme has been implemented to enhance the life of farmers he added. - Steffy Ruth S

## Agriculture needs Scientific Technology : B.L. Santhosh

**Sutturu :** B.L. Santhosh, National General Secretary, BJP who was president at the inagural event of the Agricultural symposium and Kite competition said. It is important to carryout Oraganic Farming

without use of toxic chemicals. Nowadays water pollution has become common across the country and farming needs to be improved using availability of water. They want to make agriculture scientific and try to grow more crops.

It is very shocking that the use of Chemical Agricultural products has a serious impact on the health of the farmers.

**More attention to Health and Education is paid by Swamiji : Anil Chikkamadu.**

Anil Chikkamadhu, MLA, H.D.Kote who was the chief guest at the Agricultural Symposium and Kite Competiton., he said that I have been attending fair as the chief guest for two years, before that I participated in the fair as a devotee. He said that my father late Chikkamadhu was educated at JSS School. The organization has given more attention to health and Education.

- Steffy Ruth S & -Subramanya R.

## Cultivate Organic farming and Mixed farming

**Sutturu:** Addressing Abhinava Shivalinga Kalaburgi district. the Valedictory Seminar of Swamiji, Sri Sri stressed about Agriculture held at Jathra Shivalingeshwara Viraktha Organic Farming and Mahothasava, Sri Math Madanahipparagi, fixerd farming. Farmers

should stop of using Chemical Fertilizers for their crops, it will affect that health of the people.

**Water resources essential for agriculture**

Water resources essential for agriculture said S. Ashok Kumar, Progressive Farmer, Kolar.

Addressing the Valedictory programme of the agricultural seminar organized at Sutturu Jathra

Mahotsava. There is a history for agriculture in India; most of the farmers depend upon agriculture. Karnataka is also geographically well developed for agriculture and it feeds Crores of people. Agriculture requires rain water but there is a scarcity of water in recent years for this purpose Agriculturalist has to promote rain water

## Cool..... cool

**Sutturu:** As soon as we all think about Sutturu fair, the first thing that strikes our mind is delicious food. Mass of people gathered from various places with different taste buds.

After enjoying the hot Sun the only thing which brings bliss is chilled "Ice-creams( Choco bar, Vanilla, Butterscotch Candies) and Juicy watermelons and other fruits". So here are stalls you can all reach do chill out. As we all know, fair is only complete with such delightful tastes. - Chandana. B

## Voice of Public

### Clean-Green Jathra

I have been coming here from past four years; we are providing security with all aspects. CCTV cameras have been installed all around the Jathra and also they provide very good accommodation and food for the Police faculty

**-Gopal, ASI,Biligere**

### Business oriented

From five years I come here for the Jathra. I keep my Vessels stall and get quite some good amount of profit. It's a nice business place for venders, as lots of people come to visit the Jathra Mahotsava.

**- Thousif, Mysore.**

### Holy Place

I come from 15 years and it has always been a very nice experience. I'm

Teacher in JSS Public school, Siddhartha Layout, Mysuru. I love coming to Sutturu Jathra. It's a Holy place to visit.

**- Pushpa, Mysore.**

### Good Opportunity

This is my first time in Sutturu. I'm a Mechatronics student in JSS Polytechnic, Mysuru. It's a very nice experience. Got good opportunities. Looking forward to come here again.

**- Charan.S,  
NCC Cadet, Mysore.**

### Entertainment

I come here from 17 years. It's a nice place or a break and entertainment. I'm Teacher in JSS Public School. I come here with my students for two days and then with family. Rathotsava had a mesmerizing look yesterday.

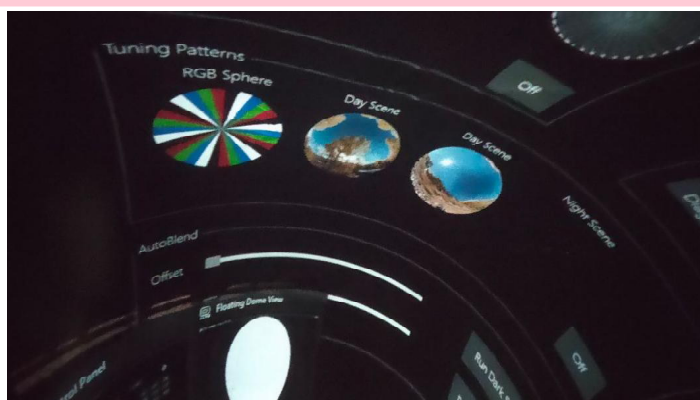

**-Inidra, Mysore.**

## Dawn of the Space Age

**Sutturu:** Jawararlal Nehru Planetarium, Bengaluru Association for Science Education, has explored the interest in the hearts of science lovers in Sutturu Jathra.

Videos related to space science, phases of moon and earth science is visually shown. The ultimate aim of this program is to attract creative children at their early age and nurture them for a scientific

research in physical as well as life science.

The Planetarium is designed in the form of Drone which accommodates 30 people at a time. Children always love learning through activity, hence they will enjoy. It is highly useful for the students and the teachers in visual teaching.

- Vinya.S.P

## Agricultural developments, National Security: Dinesh Gundurao

On the eve of Jathra Mahotsava, Seminar on Agriculture and Kite Competition, Chief guest Dinesh Gundurao, President of KPCC spoke about Organic Farming and its importance.

He said agricultural developments contribute to National Security. The experimental works of Sri Mutt is appreciable and by organizing Seminars on

Organic Farm and Water Conservation, Sri Mutt is also encouraging farmers to improve their lifestyle and farming techniques.

He opined that Government of India should take initiative to improve the marketing system and should reduce amount of losses for farmers.

He concluded his speech by saying organizing Organic Farming and Agricultural Fair Sri Mutt is successful in make people understand about water conservation and crop culture which are very necessary for our next generation.

-Teju B

# Colorful Kite competition

**Sutturu :** Kite Competition was held on the occasion of Jathra Mahotsava. Nearly 104 contestants participated in the competition. Competition was divided into four level. 42 students had participated in Primary level, 40 students in High School level, 10 members

in College level and 12 in Public level, each level had 1st prize, 2nd, 3rd and two consolation prize were awarded. The Judges of the competition are V.K Rao, International Kite Flyer and other four members from Mysuru Kite club. The competition was running successfully from past eight years, contestants came from different parts of the state. These days very few tended to participate in this game, thus rural and urban people should participate in large number. One of the eye catching Kite in the competition was 15 feet Snake Kite.

## Winners: Primary level

- Tharuna won 1st place, Sheryas. B 2nd place and Shivamurthy won 3rd prize.

## High school level :

Sampath kumar won 1st

place, Mithun S.M 2nd place and Shivaraj 3rd place.

**College level:** Shirkanth won 1st place, Karthik C.M 2nd place, and Arun.N 3rd place.

**Public level :** Poorima .B won the 1st, Gurusidappa 2nd and Ramaanna 3rd.

**Rakshith Gowda T T**

## Interview

**C. Gurushidappa** of Davangere 72 year-old participated in the Competition from past three years and won first place from last two years. "Jathra Mahotsava was good and it is going religiously. More people should take part in it, it should inspire to next generation"also.

He said, Age doesn't matter for competition and Sri Mutt is providing equal opportunity to everyone, so I am grateful towards Sri and this time my grandson too participated. Poornima from Mysuru had been participating from last two years and she had participated in different Kite Competition around all over Karnataka. She said Sutturu Jathra is a very special and also happy to participate in these type of competition. She bought 15 feet Snake Kite and 300 kites of train kite. -

# Peace-Prayer Friendship March - Kaahalli

**Sutturu:** Peace-Prayer Friendship march took place at Kaahalli. The students of JSS and villagers performed Pooja to the Idol of Sri Shivarathreswara Swamiji. Students of JSS Sutturu, with band set and placards, conveying message to the society through singing Vachanas along with procession.

Shatsthala flag was hoisted by Sri Vararudramuni Shivacharya Swamiji from Sri Gachchina Mutt, Muski of Raichur district preached spiritual values and said that Sutturu Srikshetra has Special heritage in history. During the Jathra Mahotsava, Sri Mutt had organised meaning full programs like peace prayer and friendly march. Its main mission is to bring Equality, Peace in surrounding villages. Everyone should cultivate helping nature, humanity, urge to work and earn.

Sri Shivalingaswamy from Medhini Sri Mutt, T.Narasipura said that spiritual values is very

important for human kind to join the divine spirit. In order to become the supreme personalities Bhakti, Mahesha, Prasadhi, Pranalinga, Sharana, Ikya are the important elements are needed. Such programs are necessary for every human being to live in harmony in society.

Sri Siddalinga Shivacharya Swamy from Sri Surya Simhasana Mutt of Vatalu preached that, with blessing of Sri Shivarathreshwara Swamy, Sutturu Sri Mutt has made an strong opposition to caste system, class, color and fight against discrimination. By providing free education, food and shelter to orphans Sri Mutt has become boon for peoples. It helps to maintain the peace and friendliness in society and became model for others, Sri added.
