Sri Suttur Math and JSS Mahavidyapeetha's Contributions in Combating COVID-19

As on June 10, 2020

By serving humanity, you are serving God

In the past three months, the whole world has been in a fight against invisible enemies, which had brought human life into a halt. The fear and miseries caused by the pandemic are agonizing and it is the greatest challenge faced by mankind after II World War. The pandemic has adversely hit the human life and economies at their core.

The efforts taken by the frontline warriors in saving the humankind are commendable. Jagadguru Sri Veerasimhasana Mahasamsthana Math (Suttur Math), and the institutions under it, has joined hands with the frontline warriors in their selfless efforts. Sri Suttur Math and JSS Mahavidyapeetha through its various institutions have taken up magnanimous activities to alleviate the crisis. We are contented that our humble contributions in fighting the pandemic along with the Corona warriors have supported the people in large.

1. IN FIGHT AGAINST THE INVISIBLE ENEMIES

Medical practitioners, police, corporation staff, and volunteers are working hard ignoring their health to save us from this pandemic. On March 22, 2020, at 5 pm HH Jagadguru Sri Shivarathri Deshikendra Mahaswamiji

and inmates of the math expressed their solidarity and gratitude to COVID-19 heroes, like the rest of India, by making sound as appealed by the Hon'ble Prime Minister Sri Narendra Modi.

2. BREAK THE CHAIN

HH Jagadguru Sri Shivarathri Deshikendra Mahaswamiji through a video message appealed the people to

stay indoors and to strictly follow the guidelines laid by the government and to break the chain spreading coronavirus.

3. SPREAD POSITIVITY

HH Jagadguru Sri Shivaratri Deshikendra Mahaswamiji, Hon'ble Chief Minister of Karnataka Sri B S Yeddyurappa, and Home Minister Sri. Basavaraj Bommai appeared in a webinar and addressed AKKA

(America Kannada Koota Association) members, who are staying in North America, and wished everyone's safety and well-being during this difficult time.

4. FEEDING THE NEEDY

Sri Suttur Math extended its helping hands to thousands of deprived people living in Mysuru city and its surrounding areas by distributing food packets, whose major problem was tackling hunger during the lockdown.

The food packets were distributed from day one of lockdown, i.e. on March 23, 2020 to May 3, 2020. More than 40,000 people were fed during this lockdown period.

5. TO OVERCOME THE CHALLENGES

The Sri Suttur Math and the employees of JSS Mahavidyapeeta and JSS institutions made an humble contribution of Rs. 50 lakhs to the Chief Minister's Relief Fund to meet the ongoing COVID crisis. The fund was received by the District-In-charge Minister V. Somanna, from HH Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, on April 1, 2020.

Mysuru and Chamarajanagar Matadhipathi Gosti also contributed a sum of Rs. 1.5 lakh to the CM's Relief

Fund. The cheque was handed over by HH Jagadguru Sri Shivarathri Deshikendra Mahaswamiji to the District-In-charge Minister of Mysuru Sri S.T. Somashekar.

Some among the public also contributed to the cause through the Suttur Math. Smt. Pushpa Iyengar donated Rs. 1 lakh and Sri. Suresh Jain of Suresh Gold, donated Rs. 50,000 to the PM-Cares Fund in the divine presence of HH Jagadguru Sri Shivarathri Deshikendra Mahaswamiji.

6. DISTRIBUTION OF GROCERY KITS

The Mysuru Citizens' Forum (MCF), headed by HH Jagadguru Sri Shivarathri Deshikendra Mahaswamiji distributed grocery kits to the people who were suffering without work and money due to lockdown. In Mysuru, grocery kits were distributed to 5,500 families in two phases. On April 7, 2020, grocery kits were distributed to 2,000 families by HH Jagadguru Sri Shivarathri Deshikendra Mahaswamiji. Again, on May 8, 2020, groceries were distributed to 3,500 families by the Hon'ble Ministers Sri. Jagadeesh Shettar, Sri. S.T. Somashekar and Sri. Byrathi Basavaraj, in the divine presence of HH Jagadguru Sri Shivarathri Deshikendra Mahaswamiji.

At Nanjangud, kits including groceries and other routine essentials were

distributed by HH Jagadguru Sri Shivaratri Deshikendra Mahaswamiji to 500 auto-rickshaw drivers on 18th May 2020. And 300 grocery kits were distributed to the staff of Nanjangud Srikanteshwara Temple by Sri. S.P. Manjunath, Secretary- I, JSSMVP.

The grocery kits were distributed to 1000 struggling families of Hannur and its surrounding villages of the Chamarajanagar district.

Sri Suttur Mutt in association with Kaveri Kannada Sangha, USA, and Sri Devaraj Moolchand Charitable Trust donated grocery kits to 650 families of artists, priests, musicians etc., on June 6, 2020.

Kits were issued by HH Jagadguru Sri Shivarathri Deshikendra Mahaswamiji at Mysuru. Kits were also distributed to the members of Nanjangud Journalists Association.

7. MESSAGES OF HOPE

His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji had shared messages of hope and faith to the citizens of the country in this crucial situation. He appealed the citizens not to lose hope and take courage to face this pandemic together by following the norms of the government. His words instilled positivity in many people, who were facing mental stress due to the lockdown. Pujya Swamiji has been continuously sharing messages to the public to create awareness and to build morale in them on behalf of the State and Central

Governments through the following channels:

- All India Radio (Akashvani), Mysuru
- Video messages for Government of Karnataka
- Video messages for District Administration
- Live Interaction with Suvarna News Channel
- Through webinar with AKKA members, USA

8. DISPEL THE DARKNESS

Hon'ble Prime Minister Sri. Narendra Modi had appealed the citizens of the country to turn off power and light diyas on April 5, at 9pm, to show unity in fighting the corona pandemic.

Accordingly, HH Jagadguru Sri Shivarathri Deshikendra Mahaswamiji and the inmates of Sri Math lit lamps and prayed for the well-being of all.

9. FAITH IN GOD

On April 13, 2020, HH Jagadguru Sri Shivarathri Deshikendra Mahaswamiji and all other Swamijis of Suttur Math, Mysuru, performed "Ishtalinga pooja", praying the almighty to protect the world from the deadly CoVID-19 virus. Believing in God can help us to overcome this crisis.

Many poojas and abhishekas were performed during lockdown period at JSS Spiritual Mission, USA, through Facebook Live streaming.

10. TAKING CARE OF OUR FELLOW BEINGS

The Sri Suttur Math and JSS Mahavidyapeeta had contributed a sum of Rs. 5 lakh to the Sri Chamrajendra Zoological Garden, Mysuru, on May 8, 2020. The zoo was completely shut due to lockdown and

there was scarcity of resources to take care of animals. Noticing this, HH Jagadguru Sri Shivaratri Deshikendra Mahaswamiji handed over the cheque to the authorities of the zoo.

11. A HAPPY HOME FOR THE STRANDED

Around 350 students studying in Suttur school, belonging to Eastern states and Northern districts of Karnataka, who could not return to their homes due to lockdown were accommodated at Sri Suttur Mutt. Many parents who had come to take their children back to their homes were also stranded here, they were also accommodated at Sri Suttur Mutt by providing food and medical care.

12. ALL SET TO FIGHT

JSS Hospital is a 1800-bed tertiary care hospital with experienced doctors, paramedical and supporting staff. The hospital and staff are following the guidelines laid by the Government of India to tackle Corona virus. A flu clinic was started during the last week of February 2020, to screen the patients. An isolation ward with 10 beds and 10 ICU beds were kept ready to treat the patients. Hundreds of patients were kept in quarantine and among them 2 tested positive for Corona virus, who were later shifted to the District CoVID Hospital.

A provision for telephonic consultation was also arranged in the JSS Hospital,

Mysuru, for those who were unable to reach the hospital due to the lockdown.

Ambulance services were working 24/7 during the lockdown to carry CoVID-19 patients to the hospital.

Principal, faculty members, and students of the JSS Institute of Naturopathy and Yogic Sciences, Coimbatore, also have sent their willingness to serve as volunteers in the COVID-19 pandemic containment programme, to the Director of Indian System of Medicine and Homeopathy, Chennai. Around 150 members from the institution have expressed their wish to serve.

13. A PROMISING GENERATION

During this tough period, the students of various JSS institutions came forward to help the people in distress, through their humble contributions and innovative ideas.

Mysuru Market.in

This is a start-up ventured by the final year students and alumni of the Department of Computer Applications of SJCE during the lockdown. This

start-up delivers groceries, fresh fruits, and vegetables to the doorsteps of the Mysoreans, by strictly following personal hygiene of the workforce. In a short period of time, it has turned as Mysuru's No.1 grocery delivery portal. In the lockdown period, they delivered essentials to more than 2,000 houses. Yogitha, Lohith Reddy, Bhaskar Lakshmi Narayan, Vivek, Vysakh and M.P. Suresh are the initiators behind "www.mysurumarket.in"

Contribution to COVID Relief Fund

Prathik, an 8th standard student of JSS Public School, JP Nagar donated his

piggy bank savings of Rs. 1500 to MLA S.A. Ramdas towards PM CARES fund to help the country in tackling the COVID pandemic.

highest marks in SSLC exams. The cheque was handed over to District-In-Charge Minister S.T. Somashekar towards CM's Relief Fund.

this COVID-19 time are beautifully depicted through the pictures. Click the link-

Sri. Niranjana, a final semester Computer Science student of JSS Academy of Technical Education, Bengaluru is serving as a volunteer at the Kengeri Police Station along with

frontline workers in fighting the corona pandemic. Through this, he is inspiring the youths to take up the responsibility of serving society during the crisis.

14. TIMELY ACTION

Jana Shikshan Samsthan, under JSS Mahavidyapeeta was working continuously to help the people who were struggling during COVID lockdown period. More than 125,000 masks were prepared and distributed among the public, police department

and hospitals. The members of the Samsthan also distributed grocery kits to labourers and slum dwellers. Along with this, they also contributed PPE kits to the corona warriors of JSS Hospital, Mysuru.

15. REVIEWING THE FUNCTIONING

Even during the lockdown, classes were not interrupted in our institutions. Our teachers were conducting online classes, online tests, quiz and even competitions like paper presentation to keep the students

engaged. HH Jagadguru Sri Shivarathri Deshikendra Mahaswamiji reviewed the functioning of these institutions at regular intervals by connecting to the heads of various JSS institutions.

16. CONTRIBUTIONS OF KRISHI VIGNAN KENDRA

The Krishi Vignan Kendra (KVK) at Suttur was with the farmers during the entire lockdown period. The JSS ICAR KVK was working with just 30 percent staff, who were providing awareness about the disease to the farmers. The

members of KVK went to the nearby villages of Suttur and gave suggestions on crop growth. They also prepared 30 liters of sanitizers using neem as the main ingredient and supplied it to the Suttur Math and other JSS institutions.

17. CONTRIBUTIONS OF TECHNICAL EDUCATION DIVISION

The institutions under the Department of Technical Education of the JSS Mahavidyapeeta conducted various activities for the well-being of people during the CoVID-19 period.

A team under the guidance of Prof. P. Mallu prepared alcohol-based hand sanitizer at the laboratory of

Department of Chemistry. The sanitizer was produced with natural extracts as per the standards prescribed by the World Health Organisation. The hand sanitizer was launched by Dr. C. G. Betsurmamath, Executive Secretary, and Sri S. P. Manjunath, Secretary-1 of JSSMVP. It was supplied to the various JSS institutions.

Compassion towards animals

A group of students of the SJCE had voluntarily taken up the initiative of feeding the stray dogs on their college campus. Sumukh D. B., Manisha C. A.,

and Nidharsh Raj K., Department of Construction Technology and Management are feeding the animals regularly since the beginning of the lockdown period.

'Campus Companions' are fed too

Mysuru, Apr. 10 (BVR)- Two SJCE students, who are busy with online classes that the institution is providing, have a reason to visit their campus every

day even when the institution is shut. They come there to feed the hungry dogs. As the educational institutions are closed for long time

now, stray dogs which used to get food from the eateries in the SJCE campus and around the premises are starving with no students to feed them.

Sumukh Bharath

Sumukh Bharath and Manisha, 4th year students of Construction Technology and Management, SJCE, Mysuru, are making sure that their campus companions are not left hungry. Speaking to SOM, Sumukh said: "There are about 30-35 dogs in the College campus. Since there is scarcity of food to them due to closure of Colleges, we started to feed them from last week."

Manisha

7-8 kg of dog food at once. Initially, we did it ourselves, feeding them once in a week but as lockdown situation might continue and to keep our initiative going, we requested people to support us through social media and we got good response to continue."

"We had planned for two times a week but with increasing number of contributors we are planning to feed them on alternate days till May end," they added.

- The Department of Chemistry, JSS Academy of Technical Education, Bengaluru, prepared 20 litres of sanitizers and supplied to the public.
- The students and staff of JSS Academy of Technical Education, Noida, have been actively involved in production and supply of masks and sanitizers to the needy. Food kits were also distributed by the staff of the institution to those who were struggling to tackle hunger.
- The production centres of JSS Polytechnic for Women, Mysuru, has been producing face masks

which are required for the sister institutions of JSS MVP. As of now, there is a need for 15,699 masks, which will be distributed to the public and staff of JSS institutions.

- At JSS ITI, Tandy, Nanjangud, masks are being producing in the production units. As of now, more than 8,200 masks have been prepared at the centre.
- At the production centre of JSS ITI, Chamarajanagar, more than 7,800 masks are being manufactured and these will be distributed to the staff and students of various JSS institutions.

- SJCE-STEP, Mysuru in collaboration with Wheeler Cleaner Organisation distributed 2000 bottles of sanitizers and masks to the staff of Mysuru City Corporation, Police department

and Hospitals. Also, meals were served to 3000 people every day by an NGO called Let's Do It Mysuru and we supported them raising the fund for the cause.

- An incubate of SJCE- STEP (M/s METI), developed IR thermal non-contact measurement device in 24 hours with his team. It was presented before the District commissioner, Mysuru, and District Health Officers. The efforts were appreciated by Mysuru DC and directed to procure a few devices.

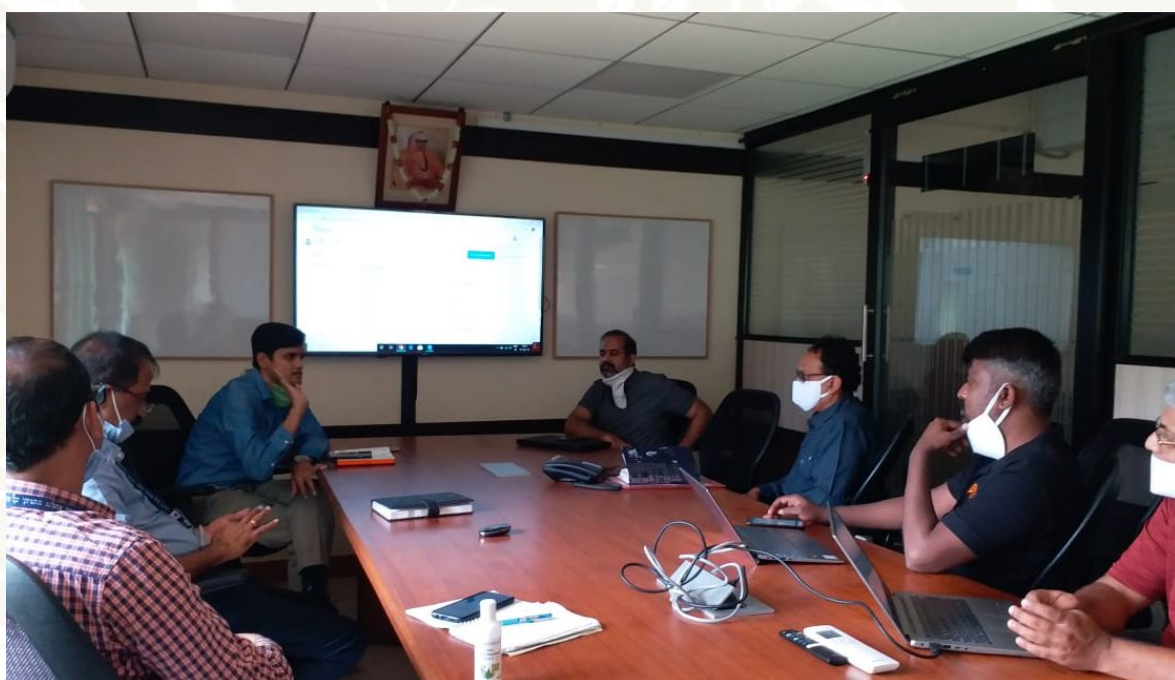

- The members of SJCE-STEP have been providing the Data Analytical Support on COVID-19 cases to the Office of the Deputy Commissioner, Mysuru District, and District Health

Office, by connecting with the District Administration team, Health department, Police department and City Municipal Commissioner.

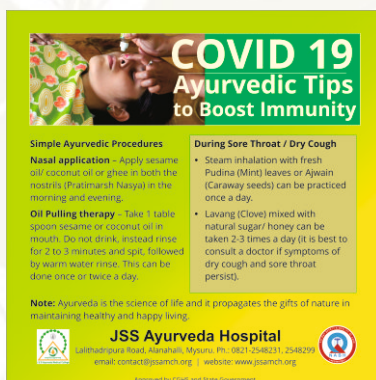

- An incubate of SJCE-STEP (M/s MDBS Tech Pvt. Ltd) had supported the Mandya District Police

Department in developing an APP for issuing digital passes to the travellers.

18. CONTRIBUTIONS OF JSS AYURVEDA HOSPITAL

During the lockdown, JSS Ayurveda Hospital, Mysuru had facilitated telephonic consultation and counselling to address the health issues of public. Important health tips were also given in public interest through various media to boost the immunity and usage of home remedies as a precaution against coronavirus.

COVID 19
Ayurvedic Tips to Boost Immunity

Simple Ayurvedic Procedures

Nasal application – Apply sesame oil, coconut oil or ghee in both the nostrils (Pranavathi Nasya) in the morning and evening.

Oil Pulling therapy – Take 1 Table spoon sesame or coconut oil in mouth. Do not drink, instead rinse for 2 to 3 minutes and spit, followed by warm water rinse. This can be done once or twice a day.

During Sore Throat / Dry Cough

- Steam inhalation with fresh Pudina (Mint) leaves or Ajwain (Caraway seeds) can be practiced once a day.
- Lavang (Clove) mixed with natural sugar/ honey can be taken 2-3 times a day (it is best to consult a doctor if symptoms of dry cough and sore throat persist).

Note: Ayurveda is the science of life and it propagates the gifts of nature in maintaining healthy and happy living.

19. TECHNOLOGY TO FIGHT COVID-19

A team under the leadership of Neonatologist Dr. Srinivas Murthy have innovated low cost Biomedical devices to combat CoVID-19. Isolation ICU on wheels, Low-cost Ventilator,

Multi-mode Air Sanitizer and handheld UV Surface Sanitizer are the low cost technologies jointly developed by JSS AHER and Ideas Unlimited, Mysuru.

20. VOLUNTEERING ACTIVITIES

MPH (Master of Public Health) students of JSS AHER were posted to the Mysuru DC Control Room for about 12 days in addressing the queries of public about the disease. Faculty and students from Community Medicine and School

of Public Health were designated at the District Hospital for backing the CoVID-19 activities including protocol development, layout preparations, training, monitoring and infection prevention control practices.

21. MATTER OF PRIDE

Alumni of the JSS Medical College is spread across the globe and their contributions in combating CoVID-19 is commendable. Dr. Brinda Desiraju, Dr. Madhu Kumar, Dr. Uma

Madhusudhan, Dr. Shiraz, Dr. Shalini Nalwad, Dr. Rumana Khan, Dr. Sathish Kumar and many others are serving in different parts of India and the world as the warriors of CoVID-19.

Dr. Brinda Desiraju on the frontline in US

Mysuru, May 4—Among a host of Mysuru-born and Mysuru-origin doctors serving in the United Kingdom and the United States in the time of COVID-19 pandemic is Dr. Brinda Desiraju.

Dr. Brinda is the daughter of Dr. D. Rajagopal Rao, former Director of CFTRI and Dr. Vijaya Rao, a retired Deputy Director of DFRL, Mysuru. They are the residents of Saraswathipuram. Dr. Brinda graduated from JSS Medical College in 1998. She is the Fellow of American Society of Diagnostic and Interventional Nephrology.

Dr. Brinda, a Nephrologist at New York Presbyterian-Brook-

Dr. Brinda Desiraju

lyn Methodist Hospital, is on the frontlines of the health crisis and along with her colleagues. As a Nephrologist, she is seeing that this virus causes inflammation not just in the lungs, but also in the heart and kidneys. And that as many dialysis machines are needed as ventilators.

Patients give drive-by salute to Mysurean doctor in US

Shirahana M A
& Uday Kumar / 15

Mysuru: Dr. Uma Ravi Madhusudhan, a physician at the Midstate Medical Centre of South Windsor Hospital in Connecticut, US, and an alumna of JSS Medical College in Mysuru, was in the headlines across the globe on Tuesday after she was honoured in front of her house with a drive-by parade of her patients who had recovered from COVID-19 and were giving her a thumbs up.

A video clip of the incident has gone viral on social media. Dr. Madhusudhan can be seen standing in her front yard and waving at the drive-by parade. While her husband and the medical fraternity hailed her service in the fight against COVID-19 across the US, she shared the clip on social media.

Speaking to TNS, Dr. H. H. Suresh, principal of JSS Medical College, said, "Uma Madhusudhan is from our college and belongs to the 1998 batch. She had a very good academic record and was outstanding throughout her stint at college."

He said Uma was equally good at sports. "She was the best outgoing student of her batch. After completing an MBBS from our college, she went to the US for a fellowship in infectious diseases. What's

COVID-19 warrior: Dr. Uma Ravi Madhusudhan

very proud of her service towards treating COVID-19 patients in the US. It's really nice to see such appreciation from people," he added.

Dr. Suresh, pre-chancellor of JSS Academy of Higher Education and Research, said, "We are proud of the recognition that Dr. Uma has received for her selfless service. She has become a symbol of commitment that health professionals have towards their service. We congratulate her for the good work."

"This serves as an example for us on how we should re-

spond to the selfless service of thousands of Covid warriors in our country who work day and night for our safety. Let us also salute them for the same," he added.

Dr. TS. Baliga, associate professor, department of pathology, JSS Medical College, and Dr. Madhusudhan's MBBS batchmate, said, "Uma used to reside in Saraswathipuram when she was in Mysuru. She pursued her primary and secondary education in Mysuru itself. She attended Marimallappa College for secondary education and had been a very dedicated, hardworking student since then."

"In her student life itself she had set a few goals. She is part of our batch's WhatsApp group of 38 members. She of ten shares her experiences in treating COVID-19 patients with us. We're all very proud of her achievement," Dr. Baliga added.

The video was also shared on Twitter by the Karnataka medical education minister, Dr. K. Sudhakar. He captioned it, "A salute to Mysuru, happy to share a video of Uma Madhusudhan. Mysuru origin doctor in US becomes a symbol of commitment that health professionals have towards their service. We congratulate her for the good work." The minister was in Mysuru on Tuesday to review the COVID-19 situation in the district.

Low-cost innovations that can save lives during a pandemic

JSS Academy of Higher Education and Research comes up with ICU on wheels, low-cost ventilator, multi-mode air sanitizer

Mysuru, May 11 (JSS) Since the Coronavirus pandemic has triggered a lot of innovations globally, including technological developments, discovery of new drugs and vaccines, development of rapid testing, diagnosis, these innovations in medical practice, technological innovation and predictive science, here in Mysuru, an ICU on wheels and a low-cost ventilator have been developed.

The innovations have sprung up from JSS Academy of Higher Education and Research (JSS AHER). It was recently opened 20th in the world and 1st in India by Times Higher Education (THE) in their impact rankings. The United Nations, a United Nations Educational, Scientific and Cultural Organization (UNESCO) member, along with JSS AHER, jointly developed the ICU on wheels and low-cost ventilator. The ICU on wheels is a portable ICU unit to combat COVID-19 and other pandemics. These devices were created in just 12 days by the JSS team.

The ICU on wheels is an application that will enable mobility of the patient and ICU facility to various parts of the hospital and support the greater flow of treatment in any given area. It is a portable ICU unit that can be used in the patient's room, isolation and intensive care unit. It is available at home with the new development. The appropriate cost of the ICU on wheels is around Rs. 1.5 lakh and will get reduced in large-scale production. The low-cost ventilator is a portable ventilator that can be used in the patient's room, isolation and intensive care unit. It is available at home with the new development. The appropriate cost of the ventilator is around Rs. 1.5 lakh and will get reduced in large-scale production.
