and
Releasing of Special Lecture Series Books

24 August 2024 * Saturday * 4.00 pm

Sri Rajendra Centenary Auditorium
JSS Hospital, M.G. Road, Mysuru

You are cordially invited

Sadguru Sri Madhusudan Sai is a globally renowned humanitarian and spiritual teacher, celebrated for his extensive service initiatives spanning over 60 countries.

As the founder of the Sri Madhusudan Sai Global Humanitarian Mission, he has made a profound impact by providing nutrition, education, and healthcare free of cost to millions in need since 2012.

Guided by the ancient Indian principle of “Vasudhaiva Kutumbakam” (One World, One Family), Sri Madhusudan Sai's work exemplifies a life dedicated to serving humanity as a single global community, transcending cultural and geographical boundaries. His commitment to bringing basic human essentials of nutrition, education and healthcare to those who lack access to them, has garnered him respect worldwide.

He emphasises the idea that each one lives for the other and all live for God, is the only permanent solution to avert the impending global humanitarian crisis. This should be our vision and mission – to love and serve all, in this spirit of oneness.

Today, 10 specialty hospitals in India, and five hospitals abroad are providing free healthcare. 37 educational Institutions across 27 campuses, a University in South India, and three institutions abroad are providing values-based education to over 5,000 boys and girls.

A morning nutrition programme nourishes over 1.2 million school-going children every single day in India and across five countries.

All services are offered absolutely FREE of cost to all without any discrimination.

12 Centres for Human Development in 11 countries have also been established to work towards the welfare and well-being of all as one global family.
